SUPPLEMENTARY INFORMATION:

I. Abstract

This collection is needed to provide a procedure for persons or organizations listed on the Entity List and Unverified List to request removal or modification of the entry that affects them. The Entity List appears at 15 CFR part 744, Supp. No. 4, and the Unverified List appears at 15 CFR part 744, Supp. No. 6. The Entity List and Unverified List are used to inform the public of certain parties whose presence in a transaction that is subject to the Export Administration Regulations (15 CFR parts 730-799) requires a license from the Bureau of Industry and Security (BIS). Requests for removal from the Entity List would be reviewed by the Departments of Commerce, State, and Defense, and Energy and Treasury as appropriate. The interagency decision, as communicated to the requesting entity by BIS, would be the final agency action on such a request. Requests for removal from the Unverified List would be reviewed by the Department of Commerce. The decision, as communicated to the requesting entity by BIS, would be the final agency action on such a request. This is a voluntary collection.
